TEMPORARY BIN RENTALS

Temporary (or “on call”) bin for any size project is provided all year. Looking to do a small to medium clean up around the house? We can provide a 3yd on-call bin for up to 4 weeks at a time. Call or email us to gather more information on our temporary bin program and to schedule a delivery to your home.

Materials not accepted in the Bins:

- Appliances
- Asbestos
- Batteries
- Fluorescent or HID light bulbs
- Hazardous Waste
- Motor oil
- Needles or syringes
- Paint
- E-waste: computers, monitors, cords, phones, TVs, VCRs, DVD players, stereos, microwave ovens, or iPods.

BULKY WASTE/LARGE HOUSEHOLD ITEMS

Curbside collection of 2 Large items per month has no additional charge to unincorporated Metro Bakersfield Residences. These standard household items typically include: appliances, couches, tables, chairs, furniture, mattresses, computers or TVs. There are no hazardous, inert, green waste, construction or demolition materials allowed. No items that can't be reasonably lifted by 2 people. Please call (661) 322-6863 to schedule. If you live in the City of Bakersfield and would like a similar service, please call (661) 326-3114.

Your hauler and the County conduct 2 Large item collection events per year. These events are held on a Saturday during the fall and a Saturday during the spring. There is no limit to the amount of items you can bring. For more information please visit: <https://kernpublicworks.com/education/events/>.

FOOD WASTE RECYCLING - SENATE BILL 1383

In 2016, Governor Brown signed SB 1383 (the “Short - Lived Climate Pollutant Reduction Strategy”) into law. This mandate required that Kern County comply, and on 7/1/23, SB 1383 was implemented throughout unincorporated Metro Bakersfield. For more State SB 1383 information please see: <https://calrecycle.ca.gov/organics/slcp/>.

In conjunction with previous State Mandates, SB 1383 requires all residences and virtually all businesses in Metro Bakersfield properly dispose of their refuse, recycling and organic materials. For more information, please see below or visit kernpublicworks.com/organics.

Recycle your food by following these steps:

1. Collect food scraps and food waste.
2. Place food waste inside your green organics barrel.
